

## **2009 NATIONAL MEETING**

### **GEELONG**

**10<sup>th</sup> – 14<sup>th</sup> April 2009**

#### **BULLETIN No. 1**

The M.G. Car Club Victoria together with the M.G. Car Club Geelong invite all MG Car Club members and their families to Geelong for the 2009 M.G. National Meeting.

Geelong and its surrounding areas have much to offer in the way of retail outlets, restaurants, café's and local attractions. Geelong is a compact city with a colourful history and is also the gateway to the well renowned Great Ocean Road that, for some, is a once in a lifetime drive. With spectacular scenery and proximity to the ocean, it makes an excellent destination for a well earned holiday after the hurly burly of the National Meeting.

With all this to look forward to, an enjoyable National Meeting with something for everyone is ensured!

We will be using the Geelong Conference Centre as the meeting focal point where registration, scrutineering will be held. All social events will be held at the K.D. Stewart Centre, within the grounds of the Deakin University.
